

To all the men and women who have served and continue to serve in the military, we offer our sincerest thank you.

Veterans Day is celebrated across this nation to honor those who served and continue to serve in the U.S. armed services. Without your efforts, our democracy would look very different. Federal offices are closed, as are banks, but the stock market remains open as does Macino Financial Services.

Please feel free to give us a call (419-491-0909) or send us an email (david@macinofinancial.com) if you would like to set up a meeting to review your financial matters.
